

Christopher Merritt Chandler

December 19, 1963 - December 7, 2019

Christopher Merritt Chandler, 55, of Charlotte, passed away unexpectedly on Saturday, December 7, 2019, due to complications from Type 2 diabetes. Chris was born on December 19, 1963 at Grady Memorial Hospital in Atlanta, the son of Robert and Mona Merritt Chandler. Given this, Chris could be considered a Georgia native, if for just a brief period of his life. But at the tender age of 4 months, Chris moved with his young family to Charlotte, North Carolina, and as such, he could be considered a native Charlottean as well. Chris had a love of Rock and Roll music from a very young age and he pursued his passion throughout life as a member of several local bands. He did this until his health deteriorated to such a degree that he was no longer able to perform. Chris was also a proud Navy veteran from 1986 to 1990. As was clear to all who knew him, Chris' love for family and country was very much a part of his core and who he was as a husband, father, brother and son, and his memory will be long be cherished.

Chris is survived by his wife, Margaret; his son, Christian; his parents, Bob and Mona, and a host of extended family scattered from coast to coast, as well as friends past and present...

No formal services have been decided upon at this time. Thank you for your thoughts, prayers and acts of kindness to the Chandler family, both deeds done and those yet to be.

Comments

“ I Served in the Navy with Chris ,He was a Good Guy,,,always wanted to learn,,,I feel proud to have known him,,,as you can feel proud for raising him...God Bless him,,,and his Family.
