*Сегодня, 22 декабря, день вашего рождения тётя Нелли.Каждый год я звонила и поздравляла вас.Но сегодня слёзы душили меня.Вас нет.Нет любящей матери,бабушки,сестры и тёти.В моей памяти вы всегда красивая,молодая,добрая.Которая прекрасно пела и играла.Жанна, Маия и Дато сделали всё, чтобы продлить вам жзнь и они прекрасно справились с этим.И я уверена ,что и сейчас на небесах молитесь за всех нас оставшихся.Марина*

*Babo Nelly,*

*Thank you so much for being my grandmother. You cared for us and loved us unconditionally. Always positive, full of life, and nothing could bring you down. I loved spending summers at your place and could not wait to come back again. You singing or playing piano and accordion, I could listen to day and night - I wish I had that in me too! I can't thank you enough for all that you have done for us. Rest in peace, I know you are in a better place with Lord.*

*You will be missed a lot. Love you.*

*Grandma,*
*No one can ever replace her. She was one of the strongest people I have ever known in my entire life. Babo, had a hard life but not once has she let that bring her down. She had this positive outlook on life that no matter what she went through she always found a way to stay positive. She was our family's backbone and made things better for all of us. She has raised me as her own and never thought twice about it. One thing she has taught me, no matter what you have to move on and be happy. She will be missed by so many people especially by all of us. It breaks my heart to know that I did not have a chance to say my good-byes or that she will not meet our new addition to our family. She has always helped others and always put everyone else before her own needs. This angel has helped all of us to raise our kids and never thought twice about it, never complained or said she couldn't do it. We all owe her so much. We love you and will miss you. Rest in peace and be free from all the pain and suffering.*

*Babo Nelly, you will be missed so much!!! I have only good and warm memories of you. I remember how much you cared for me, loved me and always protected me. You were very beautiful inside out and so positive. You liked to laugh and socialize with people, the most important task that you enjoyed is playing piano and singing the songs. I wish that you would be here with us but God had another plan for you. You are free from suffering and pain, I am sure God will take care of you. In our hearts we will be missing you deeply, you will be always in our hearts forever!!!*
