“ Words will never describe the love I feel for her! To know her, spend time with her and take care of her was a true blessing and honor! I'd go see her every single day even if just for 5 minutes to say hey I love you and give her a hug. The smile on her face when she saw it was me always brightened my day! She did soooo much more for me than I ever did for her. I will forever love and miss her. She was like family, I thought of her like she was my own Mawmaw. Thank y'all for sharing her with me. I'm sorry I can't be there today but know that I love you guys!

“ The world is a sadder place without this sweet ladies smile. My younger years were spent in the friendship of Rose and her sweet beautiful Mom. She always had a open door for a group of 5 or 6 teenage girls. I remember spending time at my house or Roses home enjoying our teenage years. Sending thoughts and prayers to Rose and the family. God definitely received an angel .
