

Francisco Chavez Acebo

January 28, 1943 - April 17, 2022

Francisco Chavez Acebo passed away on April 17th, 2022 at the age of 79, surrounded by his family as they sang the hymn "Oh My Father".

Frank, as we all knew him, was born in Cuba January 28th, 1943. In 1958, he began his new life in the U.S. Due to political issues in Cuba he was never able to go back. His wish was to go visit his beautiful home.

In 1961, he met his loving wife Margarita Chavez. They married in 1963. Together they had four children, Frank, Michael, Diana, and Daniel. On December 4th, 1980 he joined The Church of Jesus Christ of Latter-Day Saints with his family. In 1984, they were sealed in the Salt Lake City temple for time and all eternity. He was the first Branch President of the church in the city of Arroyo, Puerto Rico.

Frank was a man of many talents. During his life he worked at many places, such as the family bakery in New York, Grauman Aviation, Potter Instruments, Kings Park State Hospital, HVAC at the John F. Kennedy Airport, and as the airport maintenance supervisor for Miami International Airport.

Frank had many wonderful mottos, one of the family favorites was "Usted sabe por que le paso eso?" ("Do you know why that happened to you?") followed by a "short" life-lesson (anywhere from 4-6 hours), accompanied by a spiritual message. And, let's not forget his favorite phrase: "COÑO!"

Services will be livestreamed using the following link. Please note, the feed will not begin from the church until 10 minutes before the service.

Frank's family has given the family of Lowe-Neddo Funeral Home the privilege of caring for him and for them. Services will take place on Thursday, April 21, 2022, at the LDS Church in Matthews.

“ The best Father in Law!! I met Frank when I was 5 years old. He was like a second father for me. One of my best memories is when I was 6 years old. I was playing in my room and Frank was visiting my family. I cut my head and I was bleeding. I screamed and Frank helped me to calm down and clean my wound before I went to the ER.

I grew up thinking that he was my real hero.

I married his son in 1999. He always treated me like his daughter. He always said to me that I wasn't his daughter in law because I was his other daughter.

He was a great example and I admired the way that he looked after and treated his wife. Great example for his kids.

Frank, I love you!! Until we meet again.
