“ I just learned that Hazel passed away in November. I know it's so hard to say goodbye. Please know you are all in my thoughts and prayers. I have many fond memories of them both and our life on Kempton Place. She always wanted to see my boys when we were in town. She would give them a dollar for ice cream and that made them so happy. Life was good and I miss the old days! Much love to everyone.

“ My Deepest Sympathy. It is so difficult to lose your Mother and Friend. It was devastating for me. But what really helped me was sharing precious memories with family and friends, that made her feel so close to me. I leaned on God when I was alone, and really needed someone to talk to, God was always there. I remembered a Bible verse that comforted me, Isaiah 41:10, it said: " Do not be afraid, for I am with you. Do not be anxious, for I am your God. I will fortify you, yes, I will help you, I will really hold on to you with my right hand of righteousness." How comforting I thought, knowing that God really cared for me, that God was promising me that he would be there for me, that he would strengthen me, help me, and hold on to me with his right hand, carry me until I could stand on my own. That really, really helped me. I sincerely hope you knowing all of these wonderful promises of God really bring you comfort, and they give you the strength and courage you need to make it through this very difficult time.
