“ *I was considering going to Communist Russia as a missionary in the mid 1970's; however I was told of a young Russian man evangelizing Russian sailors in the Canary Islands. He had the language ability as well as the cultural background, which I didn't have. He had very little money while I had a decent job. I decided to put my efforts into this young man, who was Alex Jaruchik. I have supported him monthly for the last 45 years as the one who took my place, and did a better job than I could have done. We talked on the phone only once, but finally met about 10 years ago when I was passing thru Charlotte after he had moved there. We spent an afternoon together sharing life stories at his home. I was overwhelmingly blessed to meet this amazing man, and blessed to continue to be a part of his ministry. It was a shock to hear that he had passed away. We are about the same age. The world is much poorer for his passing. Thank you Alex for your life and friendship.*
