“ Grumpy it tears my heart completely up that I was not there to say goodbye to you. You know where I was at and finding out what happened while I was there broke my heart to pieces. To know when it was my time to leave that I would come home and never see your face again. It kills me that I didn't get the chance to be there at your funeral but I just got home and will pay my full respect to you at your memorial sight. You watched me while I cried and prayed for you y tu familia when I found out. I miss you chingoz homie and even though OUR LORD decided to take you home and give you your ANGEL WINGS I know your watching over us! “ As a parent I know the loss of child must be unbearable. I cannot find the words to express how I feel but I pray that you are provided comfort from the words at 2 Corinthians 1: 2 & 3, “Blessed be the God and Father of our Lord Jesus Christ, the Father of tender mercies and the God of all comfort who comforts us in all our tribulation that we may be able to comfort those in any sort of tribulation through the comfort with which we ourselves are being comforted by God”. I also pray that you feel comfort from a favorite scripture of mine and that it gives you strength; Isaiah 41:10,13, where we are told by God, “Do not be afraid for I am with you...”For I, Jehovah your God, am grasping your right hand, the One saying to you, ‘Do not be afraid. I myself will help you.’”

Angela and Family,

For every life has a purpose to fill, a purpose which us humans can seldom infer. Alex was a gift from heaven, whose purpose was to make this world understand what love, friendship, goodness, and humbleness was all about. Goodness belongs to heaven. May his soul rest in peace. Enrique and Family.
