“The poem below best describes our beloved Faye.”

*Our Mother*

*For as long as we can remember  
you have been by our side  
to give us support  
to give us confidence  
to give us help*

*For as long as we can remember  
you have always been the person we looked up to  
so strong  
so sensitive  
so pretty*

*For as long as we can remember  
and still today  
you are everything a mother should be*

*For as long as we can remember  
you have always provided stability within our family  
full of laughter  
full of tears  
full of love*

*So much of what we have become  
is because of you  
and we want you to know  
that we appreciate you, thank you  
and love you  
more than words can express*
