“ Mom, I miss you SO MUCH!!! Not a day has gone by that I haven't cried since you gave up your spirit!!! I keep wanting to pick up the phone and call you anytime I hear some good news!!! When Dad gave up his spirit 4-1/2 years ago, it was the worst day of my life! Now I have 2 worst days of my life! At least y'all are in Heaven now with God!!! No more sorrow; no more pain.
Thank you BOTH for being the BEST PARENTS anyone could ask for and thank you for the wonderful memories that I will cherish for the rest of my life!. I LOVE and MISS you BOTH VERY MUCH!!!

With everlasting LOVE,
Your daughter, Linda

We are so sorry to hear about your mother. My name is Richard Medrano. Manuel and Erna Medrano are my parents. I guess you talked to my mom already. I just wanted to say how sorry we are to hear of your loss. I'm the youngest of us kids so I don't remember a lot of when our families knew each other but my mom told me that when they got stationed in Ft Bragg I think that your parents were assigned as my parents sponsors to help them find housing. My mom said your parents were so gracious in helping them get settled in and learning about the base and most of all making new friends. I always thought it was amazing And special how our moms kept in touch for all these years. Very special ladies indeed. Our hearts, thoughts and prayers are with you and your family at this time and the times to come. God bless from the entire Medrano family.

“ Oma was sweet, thoughtful, had funny stories and the worlds best baker. I would eat her cookies and cakes even though I am allergic to flour because they were so yummy. We enjoyed visiting with her and playing catchphrase on the holidays. Ich liebe dich.

“ Anna was such a blessing. I am the maintenance supervisor where she lived.. She always brought us cupcakes and cookies. We all loved to see her everyday and I especially loved going to her apartment and listening to her tell me about her husband and bragging about her children and grandchildren. She referred to me as her boyfriend. I have thought about her everyday and pray that we can all strive to be like her!
Till we meet again a part of me has gone with you.

“ Anna was one of the kindest persons that I've had the good fortune to know. She always welcomed me into her home like I was a part of her family. She will be missed.
