ARTHUR E. "Artie" MANNING

Arthur Earl "Artie" Manning of Charlotte ended his struggle with heart disease on Friday September 07, 2018.

Artie was a lifelong resident of Charlotte born July 12, 1963. He grew up in the North Charlotte neighborhood now known as Plaza Midwood and established life long friendships from his early days. He had a quick wit and a kind heart which he shared generously with his family and his extended family of friends.

He worked as a mechanic and his passions included cars, motorcycles, family and friends. He lived life by his own terms and remained fearless and unapologetic in his choices. He was always ready with a smile, a laugh, encouragement or support. He was loved by many and will be missed by even more.

He is survived by son, Evan Manning of Mint Hill; daughter in law Maria Manning of Mint Hill; four brothers, Mike, Chuck, Tommy and Andy and three grandchildren Aiden, Austin & Avery.

Per Artie's request, there will be no funeral service, however a memorial gathering of friends and family will be held on Wednesday September 12, 2018 from 6:00 - 8:00 PM at Lowe-Neddo Funeral Home 4715 Margaret Wallace Rd Matthews, NC 28105.

In lieu of flowers the family requests any donations be made to the Levine & Dickson Hospice House at Aldersgate
1825 Eastway Drive
Charlotte, NC 28215

“ *I had no idea this happened. I moved away awhile ago. Artie was the best man at our wedding. He was always and uniquely able to enter your world, disrupt it in his own way and make a good time of any bad situation, or the opposite! I'll miss him like no other. Learning of your passing is hurting the hell out of me. Ronnie passed in the same way. I met your son one time when your car broke down and we swooped you guys up, I still regret not ordering wings for everyone. I'm still an idiot, Ida and I will miss you.*

“ Rest in peace sweet Artie. I will always remember the big bear hugs and hearing you say "I love you". I learned early on that you had a very special place in Pop's (Terry Howard) heart, and as I got to know you, I knew why. You were one of "pop's kids" and he loved you and worried about you as did I. God keep you safely in his care, and we will see you again " by the bright river side".

“ *From trying to teach me to drive a straight drive in your beloved red truck, countless trips to Central Avenue DQ for "choke butter shakes", asking me to my senior prom when my regular date was active duty to just always being around with that adorable grin and antics - Artie you were a bright spot in my world. Until we meet again... ♡*
