“ *I am so glad that I was able to teach school with "Rolen" for over 20 years . We taught at Idlewild and Piney Grove together. Also we both are from Mars Hill. But the most important thing about our friendship is that we were prayer partners. Her prayers and friendship helped me get through some very difficult times. Almost every time we were together or talked by phone we would agree that, "We have a lot to be thankful for."*

I will always be thankful for her and I am committed to pray for her family and good friends, Bill and Becky.

*Love,
Nell Vea, Matthews*

“ I was so sorry to read Barbara's obituary in the paper. She and I taught together at Idlewild School under Mr. Carroll Merrill in the early 1970's. I taught 3rd grade and was always so happy when I had children come to me from Barbara's 2nd grade. They were so well prepared for 3rd grade as she was an outstanding educator and mentor. She never minded helping in any way that would benefit the students and our staff looked to her as the "leader of the group"! I will keep your family in my thoughts and my prayers as you go through this next step of life's journey.

*In Peace,
Mary Clark, Charlotte*
