“ Carol and family,

We extend our sincere sympathy to the entire family. Bob was definitely a family man. His love and pride for each of you was beyond measure, and he always made sure to set aside quality time for the family - even while serving the school system and the Town. Any individual's public service extends to family, and your family is to be commended for their service/support also. Carol, you were always by Bob's side at Town meetings and activities such as the annual tree lightings (baking/providing hundreds of cookies for that event). We thank you for sharing him and your time with the Town of Mint Hill during his 18 years of service as Commissioner. Bob always came prepared for meetings, having studied (and proofread) the agenda packet thoroughly. His ability to listen quietly and provide feedback in a soft and calm manner was truly an asset from which the Mint Hill community benefitted.
