“ *To Linda, to myself and all that I know that she was involved with, our experience was that Bonnie personally shepherded us by her person. She has been a person among us that had one motive, to enjoy and be filled with the Christ she loved and to impart this Christ to others she was personally burdened for, for God's building and glory. Oh what a blessing just to be with her and receive so much from her and the Christ that had been formed in her. May we all follow her to a similar level of hungering for Christ and allowing Christ to be everything to us. Thank you Bonnie for your prayers and intimate care and thank you Lord for your growth in Bonnie. Andy and Linda Crow*
