

## Bonnie Jean Young

September 3, 1949 - April 15, 2025

Bonnie Jean Young, 75, of Charlotte, died April 15, 2025, at the Novant Medical Center in Matthews.

Bonnie was born on September 3, 1949, in Pittsburgh, Pennsylvania. She grew up in Carnegie. While bowling in a ladies bowling league, she met a striking young man in the men's league named Terrence Young. They were married in March of 1972 and moved to Coraopolis. Through the years, they moved from Coraopolis, PA, to Ridgeway, VA, to Kinston, NC, and finally to Charlotte, NC, in 1997, where they have been residents since.

Through the years, she worked in many different places, but most had one thing in common, her love of baking and decorating cakes and cookies. She was blessed with a talent for this and she especially enjoyed baking for others. It was her way of bringing joy to others and she was often referred to as "The Cake Lady".

But baking and decorating were not her only God given blessings. Bonnie loved working with her hands and she was always creative. This led to another passion of hers, knitting and sewing. She joined a knitting group, The Knitting Knockouts, who meet every Thursday. And when she left home, she never went anywhere without her knitting bag to keep her busy.

Throughout life, she not only used her talents, but she used her strong will and compassion to care for others. Bonnie would do anything for anyone, and she was very generous to others with her time and her patience. She will be both sadly missed and fondly remembered for the blessing she was to all who knew her.

Bonnie is survived by her husband, Terry, of Charlotte; her daughter, Vicki (Craig Belden) Davenport of Whitsett, NC; her brother, Jeff (Kay) Rahuba of Pittsburgh, PA; and numerous other relatives and friends. She was preceded in death by her parents and her sister, Sandi Scharrenberg.

A Celebration of Life service at the family home is being planned for a later date and will be posted here when finalized. Please return periodically or if viewing the desktop version of this memorial, select "OTHER" from the tabs above and then select "Subscribe to Updates" to be automatically alerted to this update.

Bonnie's family has given the family of Lowe-Neddo Funeral Home the privilege of caring for her and for them.

Thank you for your thoughts, prayers and acts of kindness during this time.

JB

“ Terry, I'm so sorry about your loss of this precious lady. I met her through the bank when she was a customer. She was the kindest lady. She always helped me out making birthday cakes, my retirement cakes and cakes and cupcakes for my family. She was one of a kind and I loved her. I always told her that when I would leave her house. I took it so hard because I just saw her about two weeks before. Terry I just want you to know i loved her and miss her. I'm so sorry for your loss and for the family. I know April 15 was when she died. Two days before my birthday.
