

Brian Keith Devereaux

April 1, 1960 - October 25, 2016

Brian Keith Devereaux, Sr. born on April Fool's Day 1960, would go on to live up to such a distinguished date of birth. We are very sad to say this bright candle flickered in the wind on October 25, 2016.

Described by his family as a fun loving husband, father, grandfather, brother, uncle and friend; who at times could be slightly ornery and sometimes just a pain in the butt. He enjoyed pulling jokes and playing pranks on those around him. There are few among us who was not a victim to one of his pranks! His light-heartedness will be remembered by the many he leaves behind.

Brian was the fourth, of six children. Because of his early childhood shenanigans, he was the first one to regularly be called by his first and second name. The three elder children knew two names was not a good thing. His younger brother Tom would come to think of this as name calling; "You Brian Keith!"

His Mother lived to see him become a sober, successful family man and one she was very proud to call son. He married his wife Mary Fink in January 1981. They have three beautiful children Nicole, Brian Jr., and Danny.

Brian took great pride in his service to his country, serving in the United States Army and as a mail carrier for the United States Post Office. His greatest pride was his three children and his greatest love of all was his precious daughter Nicole!

He was preceded in death by his father and mother, CSMG Lawrence and Pauline Devereaux.

He is survived by his wife Mary (Fink) Devereaux, children Nicole, Brian Jr. (Brienne) and Daniel (Courtney). Sister Jacqueline Sherlock, brothers Lawrence (Kim), Paul (Elizabeth), Thomas (Theresa) and Timothy (Linda). Grand children Zack, Brian III and Danica. His aunts, uncles, nieces, nephews, cousins and other family members will miss his infectious personality.

Yo, Yo, Yo Devereaux! We will certainly miss you so! When we think of you we will remember, "sometimes you feel like a nut and sometimes you don't!"

“ We are so sorry for your loss. Everyone who knew Brian knew of his practical joker that he was. Meeting him thru my brother Steve Mac was a honor to see what kind of friend Brian was to all. He made me feel loved in the short time we were together. I felt the love he had for all. When we went to dinner, he drove 2 hrs with Nicole to pick up my brother and nephew for them to come stay with him and have a visit with his high school buddy and friend. His infectious fun and laughter showed all what a GREAT BIG Heart he had for all. When Steve turned 50, Brian sought out all the medals Steve had the honors to get when he was military and Brian had them encased into a beautiful display, which was a huge part of his (Steves)funeral. Brian continued to be part of our family, we would talk from time to time, baseball, music, and post office, (never worked with Brian, but I work for post office) his love showed thru and for that I am THANKFUL for having the opportunity to say, BRIAN WAS AND WILL ALWAYS BE THOUGHT OF IN A VERY LOVING WAY...
