“ *I had so many wonderful memories with Connie. Sharing old stories, laughing, joking, and crying together. We both loved animals and watching animal shows on tv especially Dr Pol. All my grandchildren grew up with Connie, she was like their granny too. I met Connie and Annie 15 years ago when I bought my condo, been friends every since then. Love you*

“ I remember 15 years ago when I bought my condo, I met Connie and Annie. She was so warm and friendly, well we hit it off right from the start. Connie was one of the friendliest people you will ever meet with the best stories. She treated all of my children and grandchildren like their own. She will be loved and dearly missed. We both shared a love for animals. Love you ❤️❤️
