“ My sincere condolences to your family. God promises that soon he will swallow up death forever and wipe away the tears from our face Isaiah 25:8. Until then, God will provide you with comfort and strength during this difficult time.

“ We are going to miss Dale. I grew up with Dale and his siblings. Brenda I will be thinking about you as the days go forward. Dale is now free of pain. He was loved and will be missed by many. The Myrtle Beach car show will not be the same without him. He will remain in our hearts always. We have lost a wonderful friend. There are no words to make the loss easier.
Will miss u Dale.

“ My prayers are sent to Dale's loving family. He is now an angel in heaven watching over his family. When ever you miss him and feel sad just remember that he has his arms around you to comfort you. He is now in heaven having a great family reunion with family that he knew and he is meeting family for the first time that are new to him. Just remember that you are being hugged now and every second by a love one from heaven. You are never alone. If you feel a touch it is a family member from heaven letting you know that they are still with you. Dale will always be with his family and friends.

“ To Dale, Joe and Tony's families sorry for the passing of Dale. Yall didn't lose him, for to lose something means you don't know where it is. It is just a little separation, then we can have a reunion in a place that GOD built and we get to go there by the blood of Jesus. I don't know all of the family but know we have been praying and will continue to pray.

“ *My memories of Dale are filled with warmth. He was kind, a gentleman, always willing to lend a hand or two and clever. I think we bonded over two main things our love for Brenda and Love of muscle cars! May all those missing him be filled with the fond memories of his love! We will see you again Dale. 😊*
