

David Wade Denning

March 29, 1957 - March 2, 2022

David Wade Denning, 64, of Charlotte, unexpectedly left this world and joined his parents and older brother, John, in heaven on March 2, 2022.

David was born in Albermarle, NC, on March 29, 1957, the son of John Thomas and Geraldine Curlee Denning. David Denning was a Christian man and member of Mount Olive Pentecostal Holiness Church. He had looked forward to his new life in heaven and joining his parents and older brother John Denning, Jr. there. It is his surviving friends and family who are heart broken with his loss here. He will be missed greatly.

David was an avid Tar-Heel fan and loved to follow all their games. You could hear his laughter and loud encouragement with each play - all season, every season. He found joy and laughter in simple things. He had a love of gardening and spring was his favorite time of the year so he could see all the new blooms in his yard. Backyard cookouts with family and friends were a huge part of his joy. He loved us all!

David was certainly a no-nonsense kind of man and it often seemed like his direct choice of words simply had no filter. But he was kind and thoughtful to. He was always so proud of his family and friends and each one that made his life the blessing it was. He wasn't perfect but did strive to be a better man each day. Life is a journey of ups and downs but there is no doubt David's

journey has ended in a much better place called Heaven.

David is survived by his former wife, Terri Penninger Denning; his son, Brian David Denning; his grandson, Jacob Douglas Denning; a sister, Catherine Denning Sams and her son: Joshua (wife Amelia) Sams; and his other sister, Anne Denning Myers and her children: Michael Morris and Becky (Bryan) Miller. David is further survived by his 2 best friends: Gary Best of Mount Olive and Steve DiStaola of Charlotte; as well as numerous other relatives and friends. He was preceded in death by his parents and his brother, John. David will be greatly missed.

David's family has given the family of Lowe-Neddo Funeral Home the privilege of caring for him and for them. Services will be held at a later date and will be announced here.

“ *Every Friday night when I was in elementary school my parents and David would go bowl. (Screaming eagle) He's now with his bowling and best friend/neighbor. Love you David!! Go have another bowling game for me and teach everyone up there to drive.*

“ *My most treasured memory I have of David is when, as a teenager, he shared the Gospel of Jesus Christ with me. I will never forget the exuberance with which he shared his heart! This moment in time was one of the first spiritual seeds sown into my heart and catapulted my life toward the relationship I now have with my Lord and Savior. So, thank you David! I'm so excited for you as you are now in the actual Presence of our dear Lord! My heart and prayers for comfort will remain with your precious family. God bless you all 🙏❤️. Suzanne Mullinix Hardy*

“ I met David many years ago at the residence of Garry Best in Mount Olive. He and Garry were the best of friends. David was helping Garry build a Dock House. They were always helping each other with some kind of project. David and I became friends as a result of Garry. We were always crossing paths in our many trips to and from Charlotte to Mount Olive, NC to visit with Garry and his wife Betty. I always enjoyed David and his company even though our time together was always brief. Towards the end, David's relationship with the Lord and his new found church was solidified and he had found peace within. I wish I could have shared more time with him and rejoiced in his renewal of faith. I am still in disbelief of his passing but take solace that he is in the living embrace of the Lord. Prayers of strength and comfort for David's Family and Friends.

“ So sorry to hear this! He sat with my husband and I at our church connections class and was so friendly. Also the Sunday we joined the church he stood beside us not knowing the next few days he would not be with us!! This is what I remember about him and that he was so nice and friendly talking to us like he had known us all his life!! GOD BLESS ALL OF YALL!! Glad we got a chance to meet him!!
