David (Charles) Helms 84 years old of Charlotte, North Carolina entered the heavenly gates on September 14, 2024.

He was born January 8, 1940 to David and Mary Helms. David was the most loving husband, father, brother, grandfather and great grandfather that anyone could ever ask for. David is survived by his son Charles Ray (Darlene) Helms of Concord, North Carolina Daughters; Sheila Taylor of Charlotte, North Carolina Teresa (Gary) McCorkle of Charlotte, North Carolina. David had an abundance of grandchildren, great grandchildren, nieces, and nephews and made wonderful memories with each of them. David is preceded in death by Faye Helms and Marcell Helms. His father David Helms and his mother Mary Helms , brother Larry Helms and sister Faye Barfield.

David was a proud employee of Carolinas Medical Center, where he was a dedicated employee for 12 years before his retirement. David was a man of true integrity and a man of simple taste of blue jeans, a T-shirt, classic music, puzzle books and watching WWE wrestling. He always focused on providing his children with the best life possible without worrying about himself and set by example great work ethics by never missing more than 3 days of work his

entire life. David was truly a great man whose impact will be forever felt by his family that loves him dearly. He was a selfless man whose passing will leave an absence in the hearts of his loved ones. His ability to sacrifice, provide, support, forgive, and love will be forever engraved in all that he knew. We say a special thank you to Jennifer Vermillion Bolton. David's granddaughter who has so sweetly and lovingly taken amazing care of him this past year. Thank you for making his last year as comfortable and happy as he could be. You always put a smile on his face.

“ *Daddy,
First I want to tell you how honored I consider myself to have had you for my father. You were always there for me when I needed you and that's the reason I have an over abundance of memories that will continue to bring me comfort. One memory that I know meant alot to both of us would have to be my 9th grade prom. Not only did you provide the ride for my friends and I , you went out to eat with us afterwards and then we caught a midnight movie (the Alien) . I know this was one if your favorite memories because you remembered it while you were in the ICU and told all the nurses that you took me to my prom.... The truth is that having you share that event with me is what made it great. Without you there it wouldn't have been very memorable and for that I love you. That's just one of many memories you've given me. Get some rest now, you've earned it. Love always, Sheila*

“ *Uncle Charles will be missed by so many. When we were children we would go up to visit and had a lot of good times playing with our cousins. He was a hard worker and always provided for his family. Uncle Charles has been sick for over a year. His body was tired and now there is no more pain. RIP Uncle Charles*

“ One of my most fond memories of my dad, was when I was in elementary school. Dad's were supposed to come to eat lunch with us. Although for some reason, my little friend didn't have anyone there to eat with him so my dad jumped right in and said he could be his dad for the day too. After he ate with both of us, he held his hand as well as mine when he walked backed to our classroom. That showed me something very special about my dad, that I know has made an influence in my life. And most likely thats kids life as well.
