“ I cannot believe that you have left us David. You were always so happy and willing to do anything to help others. You were a wonderful son to your Mama and Daddy and did all you could to help them. Your Mama and all of us will miss you so very much. I know that you had a lot of family to meet and welcome you into heaven. Give them all BIG hugs for all of us. Until we see you again know that you will be so missed and loved always and forever.
