

David Nathan Upton

January 9, 1952 - May 10, 2014

David Nathan Upton, 62, of Charlotte, died Saturday, May 10, 2014, at Novant Health Center, Matthews NC Campus.

David was born in Middletown, Ohio, on January 9, 1952, the son of William Hobbs and Maenell Price Upton. His family moved to Charlotte, NC, where he graduated from Garinger High School. David went on to join the Charlotte Fire Department, graduating from the academy in 1972. He spent 23 years in service to the city before retiring as an Engineer of Engine 29 with Charlotte Fire Station 29. During his fireman career, he also served as a director with the fire department credit union and was a member of Local 660. David also started and operated Upton and Sons Plumbing which he invested 25 years in before his death. On May 14, 1977, he married Patricia Turner at ARP Presbyterian Church in Charlotte. While he enjoyed his time in the fire department and his plumbing business, what he loved most were his family and friends, and he will be sadly missed by all who knew him.

David is survived by his wife, Patricia, and four children: George Upton of Charlotte, Tina Fisher (husband Dennis) of Indian Trail, Susan Kisiah (husband J.T.) of Charlotte, and William Upton (wife Mia) of Mint Hill, NC. He is further survived by his sister, Donna Kay Setzer of Matthews; nine grandchildren: Chris, Samantha, Nick, Luke, Hunter, Natalie, Grace, Morgan, and Castiel; and numerous other family and friends. David was preceded in death by his parents, a sister Susan Diana, and a brother, William Hobbs.

David's family has given the family of Lowe-Neddo Funeral Home the privilege of caring for them. Services celebrating David's life will be held at 12 noon on Thursday, May 15, in the funeral home chapel located at 4715 Margaret Wallace Road, Matthews, NC 28105. Visitation will be held from 10 am until time of service. Following the service, David will be taken in procession to his final place of earthly rest at Sunset Memorial Gardens.

Johnson

“ *My family and I were blessed to have known David for almost ten years. I was first asked by his son, Bill 'if we teach you plumbing, would you mind helping us?' Ever since then, David and Pat have always welcomed my family as a part of theirs. David taught me a skilled trade as well as a different outlook on life. Bill and I call each other ' Brothers from other mothers'... But David.... He made any man proud to call him DAD... He will be missed...*
