“ Debbie made a difference to alot of people. She encouraged me in my faith more than she knew. She didn't complain even on days she felt terrible. I would describe her as kind, humble, brave, compassionate, joyful, graceful and Christlike. I will miss her but I look forward to meeting her again in heaven... She is home.. Prayers for her family everyday.

“ Please know my thoughts and prayers are with all of Debbie's family and friends. I was so privileged to have known her for a short time and to be able to call her "friend". She was such a wonderful Christian and her influence was shared by all who knew her.
