

Dennis Larmer

March 2, 1956 - February 8, 2022

Dennis Larmer, 65, of Charlotte, North Carolina crossed the golden bridge in the early morning on February 8, 2022.

Dennis was born March 2, 1956 in Syracuse, New York, the son of Carlton and Audrey Larmer. He answered his country's call to service and faithfully served in the United States Navy. Following his honorable discharge, Dennis helped build many of the buildings around downtown Syracuse and downtown Charlotte during his career in construction work and he was very vocal about which buildings he had a part in. He spent most of his life taking care of animals and his family. Dennis loved motorcycles, old muscle cars, cigars, Jim Beam, Hank Williams Jr, Taylor Swift, NCIS, old western movies, gangster movies, Cheech & Chong and red meat. Most of all, he loved the time spent with family and friends.

Dennis is survived by his wife of 42 years Penelope (Penny) Larmer; his daughter Amanda (husband Michael); 3 grandchildren: Amber, Alexis and Dennis Jr; his 3 cats: Smokey, Luna and Willow Jean; the family dog, Daisy Mae; and his spirit animal, Ralph the bearded dragon. He is further survived by numerous other relatives and friends.

Dennis' family has given the family of Lowe-Neddo Funeral Home the privilege of caring for him and for them. Friends are welcome to join the family

and the US Navy Honor Detail at 2 pm on Friday, February 11, 2022, for a military tribute and service celebrating his life in the funeral home chapel, 4715 Margaret Wallace Road, Matthews, NC, 28105. All are invited to not only attend, but also to prepare a favorite memory of Dennis to share during the service. If unable to attend in person, you can view the livestream at the link below. The family will then receive friends at the funeral home after the service.

Dennis was a wonderful neighbor and a good man. My family and I lived around the corner from him and he always offered a smile and a wave when he walked his dog(s) through the years. He was proud of his grandchildren and loved all animals. We will always think warmly of him. Deepest sympathy and heartfelt condolences to Ms Penny and the rest of the family.

“ Back in the mid 70's I had the privlidge of serving on USS Midway with Dennis. We had so much fun and also fighting fires together with a person like Dennis was such an honor. He will be missed by many but his suffering is over. May he RIP with our Lord forever.

R. I. P. Dennis. Seeing you on your bike brought back fond memories of Bruce, my special little friend Desi, your loving mother, father and all of you in Syracuse. You kept me safe and I'll never forget my American family and the warm memories we shared.
My deepest sympathy. Maureen

“ *The neighborhood won't be the same without you Dennis. We will always remember passing by you everyday, on the sidewalks walking our dogs and stopping long enough to discuss how to solve the world's problems. We saw you teaching those girls how to drive and maintain their cars and truck! You picked the hottest times of the day to do your yardwork, making the rest of us look like wimps! You sat out on the porch in the evening smoking those cigars that smelled like vanilla creme or hazelnut. We watched you nudge Duke and Dolly to get up in that truck to go for a ride, until they couldn't go another mile. Those dogs loved you and you sure did love them.. You posed with those girls for graduation and prom photos like a proud Poppa. You were a proud man. A hard worker and very plainspoken. You will be missed. Thanks for the memories, neighbor...Sandra and Brad Murphy*

“ *Pop. It has been an amazing ride. From my very first crawl to when I lost it all. I am so grateful that you were able to see me gain my life back. I am so honored that you approve of Mike and trust him to take you're place of loving and protecting me. I know this goes without saying I got this. Mom and the kids are taken care of. I promise I am the daughter you took so much pride in raising. I love you, you are absolutely and always will be the most amazing man in my life.!*
