“ I was saddened to hear of Desmond's passing and am still in disbelief. I recognize how hard it must be for you since you did not see him close his eyes or hear his last sigh, you only heard that he was gone, too late to say goodbye. I want you to know that I am thinking about you, praying for you and aching deeply alongside you. Yvonne, may it bring some comfort to know that I have always admired the relationship the two of you shared. You were his world and he was yours. Having been around for so much of your relationship, I can honestly say, I learned the meaning of true love from the both of you. May the sorrow you feel in your heart lighten by the love that surrounds you my dear friend.

God Bless
Janet Fenty
