

Dimitri Eugene Lesovsky

May 25, 1964 - October 30, 2020

Dimitri Eugene Lesovsky, 56, of Charlotte, died unexpectedly at his home on Friday, October 30, 2020.

Dimitri was born in Kittery, Maine, on May 25, 1964, the son of Eugene and Jacqueline Large Lesovsky. He grew up in Philadelphia and then his family moved to Miami. He graduated from Palmetto High School in 1982. He worked in various careers in his life, including restaurant manager, entrepreneur, auto detailing and real estate before settling into sales for automobiles. Dimitri was very proud to be one of the founders of an up and coming company, TekNekk, www.teknekk.com When not working, he enjoyed fishing, watching football (especially the Florida Gators), NASCAR, and he loved to cook for his family. His favorite Sunday meal to prepare was meatballs and none compared to the ones he made. No matter what he did, one thing Dimitri never met was a stranger. He was blessed to have a comfort in dealing with people and a laugh to be remembered. And while he enjoyed many things in life, the time spent with others was always the most enjoyable. He will be fondly remembered and truly missed by all who knew his charismatic spirit.

Dimitri is survived by his son, Kameron, of Charlotte; the mother of his son, Jill Hirschfeld of Charlotte; and his brother, Anton Lesovsky of Miami, Florida. He is further survived by his favorite dog, Jasmine, as well as numerous other relatives and friends. Dimitri was preceded in death by his parents.

“ *I met Dimitri back in 2010 when I started working at BMW. He was my new boss. He was the sweetest person I had ever met in the car business. He was always rooting for us ladies in the BDC. When we had to do mandatory training he would always promise to bring me HEB cheese strudel. I think that was his way of bribing me to go to those training without complaining. Haha. We were able to reconnect on FB a few years ago and I'm glad I got the opportunity. There were two loves in Dimitri's life, his son, Kameron and Gator football. Kameron, your dad was so proud of you and loved you so much! I have been hearing about you for 10 years and I can say you were the light in your Dad's life. You are in my thoughts and prayers. Bossman, go rest high on that mountain and I will see you again in those streets of gold.*
