“ *After 40 years of friendship it is hard to believe we won't have the opportunity to make new memories.*

We are so thankful that you were part of our life's journey and that they were enriched because of you.

The memories of your smile, laugh, dance moves, loyalty, support, friendship and more will continue to bring us comfort.

Love you Donny!

“ Cheers, "Uncle Donnie". You left your mark here, indeed! Though I knew you better through close friends than personally, I will never think of you without remembering your smile and laughter. RIP, my friend.

“ *When I moved to Charlotte Don was the first person I met at a sports bar watching a celtics pacer game. Who'd of guess he would be in a sports bar right. Anyway, 26 years later and so many great memories a true friend and brother taken way to soon. I don't think I will ever get over the feeling that he won't be there to talk to as he has always so many times. I'm grateful for that day we met and great times we shared. Godspeed my brother!*
