“ *RIP Donna. You were my mother's first cousin, Letha Nance Maske, and since you were only 1 year and five months older than myself we spent time together. You will always be remembered as one who enjoyed reading. You were so beautiful and such a classy lady. I will never forget you. Love you my cousin!*

“ *I enjoyed spending time with Donna and caring for her while Mieke and her family vacationed one summer. She was a loving, caring, women and loved the Lord! She loved to read and we talked during dinner about her family, the Lord and her life. I only knew her for a short time but she warmed my heart and I enjoyed my time with her! Praying for the family through this difficult time and so happy to know she is with our Lord and at peace!*
