“ We met Dorris and Linda when we moved right next door to her in 2004. She loved the kids so much and would get Christmas, birthday and Easter gifts for my kids every year. My favorite ones were the stuffed animals even though my kids were well into their teens already. This was one my favorite hats she made for my son for Easter! You will be missed Dorris!

“ I've known Doris now for close to 10 years. She is a strong woman. She is an independent thinker. She's a true Trump supporter and only wanted to see America great again. I will miss seeing you every other week Miss Doris. Rest in peace!

“Doris was a dear friend, and I will miss her. We especially enjoyed our breakfasts together at LePeep’s where she would order her favorite crepes with strawberries and extra cream cheese and whipped cream. Sweet Lynda, you have my deepest sympathy. Your mother was devoted to you and loved you so much. Cherish all your beautiful memories and be comforted in knowing she is at peace and in God’s hands.
