“ I love you My father-in-law. I was and still am blessed to have you in my heart and my life. To be able to find a great slot player to hang out with is something I will never forget. The winke you would give me when you would tell your daughter you have no more money and pass me a twenty to keep playing so she would not make us leave is something I will never forget. You always made me laugh...even when the day before you were to go back to North Caroline and all you want to eat was rice and bean because you said you were not going to get them at home... I laugh now just writing it. I love you Mr. Brown 🥺🥺🥺 and I know you are one of the 🙈 that is watching over me....I will not say goodbye because I KNOW I will see you again!!!
