“ *I met Dave and Elsie in 1972 when I joined the staff of the church they served in New York. Dave and Elsie were truly one. They went to Palm Desert for their 50th wedding anniversary. They were just shocked when I showed up at their dinner table asking if they would like more coffee. It was just a fun way to surprise them on their special wedding anniversary. Affectionately called 'Tiger' Elsie was always a defender of the weak. Elsie was a blessing to so many as she coached and counseled as a pastors wife.*
