

Frankie Donald Statile III

September 8, 1997 - June 26, 2022

Frankie was born in Evansville, Indiana, on September 8, 1997, the son of Frank and Teresa Statile Jr. When he was only months old, his family moved to Mint Hill, NC. Frankie attended school at Queens Grant Charter School, Independence High School and ultimately attended CPCC to study Fire Science. He most recently had been working for FedEx while living in Wadesboro. He had also volunteered for the Idlewild Volunteer Fire Department in Matthews, NC.

Frankie loved the outdoors and caring for animals. Animals that had no home with anyone else, always had a home with Frankie. He studied all types of animals to learn how to care for them properly. Frankie also enjoyed fishing and going to the beach. He was barefoot more than not. When not able to be outdoors, he enjoyed drawing, reading, writing, playing video games, and renovating his home. Frankie was fearless, intelligent, empathetic, and always helping others before they asked. Most of all, he loved his friends and his family. When you were his friend, you were a friend for life, and he was fiercely protective of those he loved. Frankie was a dear friend, a devoted son, and a loving brother.

Frankie is survived by his parents; his siblings: Katie, Matthew and Emily of Charlotte; his maternal grandmother, Marie Queen of Gastonia; and a host of other friends, both human and animal. Frankie was preceded in death by his

paternal grandparents, Frank and Catherine Statile, and his maternal grandfather, James Queen.

“Loved this kid. Frankie and his amazing mama had a great impact on the early years of my life. Frankie and I didn't talk much since leaving QG. But he was my first friend I had in kindergarten and he was one of a kind. He had an extreme passion for animals and bought me the only fish tank I've ever had. Frankie's family is the most loving family. To hear about this breaks my heart. I had nothing but love for Frankie for the decade that I went to school with him. He was without a doubt the best lacrosse Goalie and so fearless. Loved knowing him and playing along side him. I love Frankie and his loving family.

Frankie lived life with gusto since he was a little guy. He loved animals, especially his chickens. He taught me a lot about raising my own. Frankie had a special way with all living creatures.

I will always remember his tender, gentle heart, winsome personality and adorable grin.

You will forever be missed, Frankie! I love you. ❤️ I will look forward to seeing you in Heaven when I arrive.

May Jesus comfort your family and friends . You touched us all, Frankie, and we will miss you.

Much Love to Teresa, Frank, Katie, Emily and Matthew,

“ *Omg will I always have great memories of you Frankie. One main one is when you decided you were going to climb the flagpole during practice. You did it but boy did you have some "pole rash" coming down. You always made me laugh and really enjoyed being one of your Coaches during Cross Country. My memories of you will ALWAYS stay with me and continually make me smile.*

“ We love you Statile family, our hearts are heavy with sadness but also filled with love for our friendship. Frankie was a beautiful soul who will be greatly missed. He always loved finding critters and helping animals in need including a dove who accidentally flew into a window. He was like a big brother to Ethan. We are praying for you all.
