“ Gene worked with us at Yount Const. Co., Inc. for the last 11 years, which was the second time he had been here. He was a tough man to all who new him, until he was around kids. He was the most gentle soul on earth, to them. He was crazy about kids and they were crazy about him. Our grandkids absolutely thought Gene was their hero. He drove trucks and backhoes and they thought he was great. If you'd never seen him with kids you missed a whole new side of Gene.

He was a good, hard working man who I would trust with all I have and was as good a friend as I have on this earth. I and my whole family will miss him.
