“ *Georgia and I taught together for 29 years. She was a great influence in my life. A funny memory happened in our first year of teaching together. The publisher of the school year book had Georgia as the teacher and myself as the assistant. The publisher assumed since Georgia was older than me that she was the teacher and I was the assistant. We had a good laugh together. Georgia was family. Through the years we shared many memories as friends. I will miss Georgia. She was kind, funny, smart, and close to her church. I will miss you Georgia, and will hold our journey in life. close to my heart. I love you my friend.*
