“ Gladys & I went to Franklin High School together in Macon County, N.C. where we became very good friends. We especially enjoyed Mrs. Perry's history class together with our friends Celia Poindexter & Linda Ledford. Although we lost touch with each other after we graduated, I have thought of her many times over the years and even talked to her via email a few times years ago. I was able to get news of her through talking with Linda & was very sad to hear when she called to say that Gladys had passed away. I guess the last time I saw Gladys was when I attended their mom's funeral.

I want to offer my heartfelt condolences to her family and pray that you will find comfort in the Lord.
