“ *I was saddened to hear we have lost my old classmate, teammate, and friend, Dalton "Whip" Alexander. In fact, we left at the same time for NC State. I will always remember when he loaned me his car while we were attending the Beta Club convention in Asheville, so that I could have my first date with my wife to be, Phyllis. I'll always be indebted to Dalton because it worked out pretty well. She has put up with me for almost 62 years now! I know that Dalton is in a better place. May he rest in peace.*
