

Harwood Davis Wall

October 14, 1949 - November 4, 2025

Harwood Davis Wall ended his struggles and passed on to the Mansion the Lord had prepared for him on November 4, 2025.

Born in Bristol County, Massachusetts, on October 14, 1949, Davis was the son of Pemberton and Winell Harwood Wall.

Davis was a retired design engineer and often built detailed models of the projects he worked on during his career. Other models he built were reflections of his lifelong interest in history and political science that went along with an extensive library and a multi generational stamp collection started by his Great Grandfather. The multi generational pride was not just limited to the stamp collection as Davis was proud to be a third generation Eagle Scout as well.

He is survived by his wife Rita of 47 years, his son Rick, of Austin, Texas and his wife's extended and caring family. Davis is further survived by numerous other friends as well as his church family at St Michael Anglican Church. He was preceded in death by his parents and a brother.

A funeral mass for Davis will be held at 1 pm on Friday, November 7, 2025, at St Michael Anglican Church, 2211 Margaret Wallace Road, Matthews, NC 28105. Friends may call upon the family at the church from noon until the time of service. Interment will follow in the St Michael Church Cemetery.

In lieu of flowers it is requested that donations be sent to
