May 4, 1961 - August 14, 2017

Helen Anatolia Malashenko-Albl, 57, of Matthews, died unexpectedly on August 14, 2017.

Helen was born in the Ukraine on May 4, 1961, the daughter of Anatoliy and Nadia Malashenko. She grew up there and began a relationship with a young man stationed in Germany with the US Army, Ludwig "Lou" Wolfgang Amadeus Albl. Upon his return to the United States, they were married and lived in the Winston-Salem area before moving to Charlotte. Blessed with an ability to understand language, she used her talents to teach children in Charlotte Mecklenburg Schools, Charlotte Latin, Charlotte Preparatory as well as private tutoring. She enjoyed playing badminton and was also an avid reader. After her husband died in August of 2015, Helen volunteered with hospice to help others in the same need. Most of all, Helen enjoyed the time spent with family and friends.

Helen is survived by her children: Alex Albl of Matthews and Alice Albl; a brother in Ukraine, Sergei Malashenko; and three nieces: Sasha, Dasha and Anna. She is further survived by numerous other relatives and friends. She was preceded in death by her husband, Lou, and her parents.

Helen's family has given the family of Lowe-Neddo Funeral Home the privilege of caring for them. A gathering to celebrate the life, love and blessing of Helen

will be held at 2 PM on Saturday, August 19, 2017, in the funeral home chapel, 4715 Margaret Wallace Road, Matthews, NC 28105. Friends are welcome to visit with the family from 1 PM until the time of service. All services will conclude at the funeral home.

“ *Dear Alex and Alice,  
I was so sad to hear of your loss. Helen was a colleague of mine at Charlotte Latin for several years, and then Shelly Brown and I had several wonderful lunches with her after that. She had such a beautiful smile, and I always admired her courage. Just know that she talked about you two often and loved you both very much. Treasure those memories.  
With love, Jean Skidmore*

“ Alice, you often referred to yourself as a ‘daddy’s girl’, but you should know (if you didn’t already), that your mother e-mailed me several times over the four years I had you in class, especially when your grade was not where she thought it should be - not to ‘hover’, to tell or to ask me to change it, but to ask what else you could do to get a higher grade. It was very clear that she loved you deeply, wanted you to do well and was confident that you had the skill and ability to do so. She stood up for her daughter, as every caring and supportive parent should. She generously allowed the Butler German Club to hold several events at your house, and was always extremely conversational whenever and wherever I ran into her. My heart grieves for you and your family, but I am and will always be here to help any way.

*On the first picture my twin sister and me (6 years old) with aunty Lena (Helen). At that age we hated to have our hair cut. To cheer us up she took us to make this picture before visiting hairdresser. On the next picture she was with my baby daughter who was fascinated by Helen.*

*My sisters and I love our beautiful and kind aunt forever.*

“ After Johann was born, Helen came to visit us. We went to the Hover Dam, walked around and had an ice cream in Boulder City on our way back to Las Vegas. We appreciated the gesture because she came all by herself just to meet Johann.

*We had so much fun at the strawberry farm last year. the 2nd pic is just after we shared a sidesplitting laugh when I could finally hold the camera still. And when we had the snowfall she trekked all the over to my house and convinced me to go experience the snow with her. I'm so glad I did. I will miss my buddy.*

“ Alice, I am so sorry for you and your brother.. Your mother loved you very much, but her sadness just took over her life. Don't ever forget your love for each other, and your very bright futures. If you ever find yourselves in need of reminders of your possibilities, please call me. You have options, love, and friendship. Big hugs.
