“ *Hollie was a great man. I had the biggest crush on him when I met him but I was a kid and of course he fell in love with my sister. He used to let me go on their dates that how sweet he was. He always called me baby and in the last few years whenever he called me that I knew he recongnized me which wasn't very often. The world has lost a good man and Heaven gained an angel. Rest in peace Hollie I love you and will miss you very much.*

“ *To the best man I have ever known. You never failed to make a room smile. You taught me to be the man I am today. You were the best husband, father, and grandfather than anyone could have ever asked for. You will be missed so much. You were loved and still are loved by many. I know you are pain free and singing karaoke "hello darlin" for everyone now. I love you Pop and will live through you for the rest of my life. I only hope I can be have the man you were. I love you and miss you!*
