

Hunter Michael Bradford

December 20, 2002 - July 4, 2020

Hunter Bradford, 17, died tragically as the result of injuries from a motor vehicle accident in Mint Hill, NC, on July 4, 2020.

Hunter was born in Virginia Beach, VA, on December 20, 2002, the son of Michael and Angela Kufchak Bradford. At about the age of 4, his family moved to Mint Hill, North Carolina, where he has lived since. He attended Clear Creek Elementary and Northeast Middle before attending Independence HS. Hunter enjoyed many things in his 17 years, including video games, fishing, and shooting. He also loved things with wheels, including skateboarding and riding his YZ dirt bike. Most of all, however, he loved the time spent with his family and friends, and his dog, Jaeger. He loved to live life and though tragically cut short, he lived it to the fullest.

Hunter is survived by his parents; an older sister, Katrina (Aleigha Petrekovich) Mitchell of Winston-Salem, NC; and a younger sister Trinity Bradford of Fort Mill, SC; his niece and nephew which both had their uncle wrapped around their fingers, Phoenix and Serenity Mitchell; and his “adoptive” family, Jim and Dee Featherman of Mint Hill; and his adoptive brothers: Garrett, Jamie, Dakota and Logan Duncan, and Josh Sexton. Hunter is further survived by a grandfather and numerous other relatives and friends.

In lieu of flowers and in honor of his love for his niece and nephew, please

direct donations and memorials in Hunter's name to the family. They will setup trust funds for Phoenix and Serenity in honor of their uncle.

A Celebration of Life Service led by Mr. Michael Neddo is scheduled for Saturday, July 11, 2020, at The Clubhouse, 8919 Truelight Church Road, Mint Hill, NC 28227. Please come and prepare to share your favorite memory of this bright spirit who always had a smile.

“ Hunter we are at a complete loss. We expect to see you walk across the bridge and sit by the fire. We look for you everywhere- the yard, the pond, the field, in Logan's room, in our fridge, somewhere in our life. You were a part of our every moment of life. You became our son about 7 years ago. You are a great blessing to us. We have loss a valuable part of our family. We already miss you and always will. We love you, forever and always.

Hunter I know you don't remember me because you were so little but I am your oldest sister. I have thought about you every day and I always will. I wish you could have met your nephews who look so much like you did. I love you little brother and will always keep you with me.

“ *Hunter was more than our neighbor next door, he was like a son to us. Whenever he needed a break from life he would always come over to see my husband Donnie. He looked up to him and Donnie saw a lot of himself in Hunter and took him under his wing in his early years of life. Hunter lived his life on his terms but, he always knew he could come back to us and just be himself. Donnie and I gave him love when he needed, advice and sometimes a reality check. He learned how to work on ATVS & dirt bikes in our shop and Donnie took pride teaching him how to work with his hands and being a mentor to him. He was such a sweet soul. I will miss his dirt bike riding by our house and him stopping by to say hello. I will cherish the memories of him and my husband spending hours together bonding in the shop and spending time with us as a family. His memory is a blessing and I will miss him dearly. Love you Kiddo, until we meet again. 💕💕*
