

Jack Martin Lemmer

December 30, 1992 - December 13, 2022

Jack Martin Lemmer, 29, of Charlotte, died unexpectedly at his home on December 13, 2022.

Jack was born in Evanston, Illinois, on December 30, 1992, the son of Keith and Lucia Trilli Lemmer. They lived in Chicago and when he was 9, his family moved to Chesterton, Indiana. He graduated from high school in 2011 and went on to attend Purdue University where he obtained his undergraduate degree in Nuclear Engineering. Jack then enrolled in the University of Maryland where he earned his master's degree in Fire Protection and Engineering.

Duke Energy, impressed with Jack's abilities, offered him a position as a nuclear engineer and in 2015, Jack moved to Charlotte. There, he met the joy of his life, Ms. Kristie Solimon, who he planned to marry.

Though diagnosed with Marfan Syndrome at the age of 4, Jack never used it as an excuse to hold himself to high standards and achievement in life. Jack was very generous and supported many causes in his life. He served others in many capacities, including as President of the Duke Charlotte Chapter of North American Young Generation in Nuclear (NAYGN) NAYGN, Carolina Region, Duke - Charlotte Chapter.

As a boy, Jack joined the Boy Scouts and worked through the ranks, attaining his Eagle Scout status. As a scout, he pledged to be trustworthy, helpful, loyal, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean and reverent. Those that knew him, however, knew that this wasn't hard for Jack because he naturally embodied those qualities before he was even in scouting.

Most of all, Jack loved to spend time with friends, especially time spent gaming. Board games or computer games, Jack enjoyed all of them and made many friends in life. One thing you could say about the friends he made, when you were his friend, you were his friend for life.

Jack is survived by his parents, Keith and Lucia Lemmer of Charlotte and his girlfriend Kristie Solimon; and numerous other family and friends. Or as Jack would say, he was "Blessed to have the best friends and parents to support him."

Jack was preceded in death by his grandparents and "The Greatest Cat in the World, Haymitch."

Jack's family has given the family of Lowe-Neddo Funeral Home the privilege of caring for him and for them. Friends are welcome to gather with the family for a service honoring Jack's life at 2:00 PM on Friday, December 30, at the funeral home, 4715 Margaret Wallace Road, Matthews, NC 28105. The family will receive friends from 1:00 PM until the time of the service. All services will conclude at the funeral home.

In honor and memory of Jack's generosity and battle with Marfan's Syndrome, memorials would be appreciated in his name to the Marfan Foundation, online at <https://marfan.org/donate/> Please select the "In Memory/Honor Of" box and enter Jack's name so the family can be notified.

Michael John Neddo of Lowe-Neddo Funeral Home is inviting you to a scheduled Zoom meeting.

“ *To all Jack’s friends, co-workers and family, Keith and I want to thank you for sharing your kind thoughts and memories of Jack. Although nothing can ease the cruel path we are faced with, the outpouring of love, support, offers of help, and your presence at his memorial service have been so heartwarming to us. Even though Jack’s life was cut short, you all made it so full and special. It is good to know that Jack was blessed with so many good people. - Lucy & Keith*

“ *I am a relative newcomer to Duke, having joined during the remote work time period. As such, I first met Jack during a remote fire PRA mentoring session. It quickly became clear that he was very knowledgeable and eager to share with those in the class. I finally met him in person in early 2022 while in the church street building. It was there that I found a well rounded guy with a great sense of humor.*
I am so sorry to hear of his untimely passing. Prayers to all who knew him, and especially his family and parents. Having lost a child myself, it is the worst feeling in the world.

“ *To Uncle Keith and Aunt Lucia, we share our heartfelt condolences and love to you in the memory of Jack. Faith teaches us everything has a purpose, even if we don't understand the “why's” and the “for-how-longs”. That is very difficult to grasp at this time, but this message board and collection of photos demonstrate how impactful Jack was to others during his time. We will miss him terribly, but his impact will remain with all of us.*

“ Jack was a true gem. My husband and I were fortunate to call him a friend, and I worked alongside him throughout his career at Duke Energy. Jack was an incredibly intelligent, thoughtful and compassionate person. I'll always remember him for his punny jokes, excellent charcuterie skills, and his ability to speak truth to the powers that be. Jack was a class act host and always genuinely cared about how you were doing. You are sorely missed, Jack!

“ *I've had the privilege of working closely with Jack since 2019, and Jack always impressed with his fearlessness and willingness in taking on new challenges and responsibilities. It didn't matter if he didn't know how to do it; he was always willing to give his best effort and figure things out along the way. Jack always had a positive attitude and seemed able to see the good without discounting the negative. I can't ever recall him complaining; he was always an encourager. He was a good teammate and willing to jump in and help. He will be sorely missed by his friends and colleagues at Duke Energy.*

“ I worked with Jack at Duke Energy, and he was truly a good person and pleasant to be around. I can still here his classic “Living the dream”response, when I asked how he was doing. He will be greatly missed. My thoughts and prayers go out to his family and close-ones. May God bring the comfort that our words cannot.

“ I worked with Jack at Duke Energy and am truly saddened to hear of his passing. Jack handled life with poise, grace, humility and humor. He had the ability to lighten every room he entered while showing technical ability and a willingness to learn and master any task given to him.

He will truly be missed. Prayers for his family and friends.

“ I met Jack at Duke through NAYGN and he was always such a hoot. I had been shipping the Kristie/Jack pair up for quite some time and I was so happy when they got together. Jack was such a caring, thoughtful, and perceptive person. The way he looked at Kristie with such tenderness and love was so special to watch. Jack was an amazing friend and wonderful person. His sense of humor always had me cracking up (especially during long work meetings). He was so much fun whether we were getting fancy with a fondue night or going out to the symphony or whether he was beating us all at board games or coming out of his shell at karaoke. Jack made the world a brighter place and he will always be remembered.

“ I'm very lucky to have met Jack. We met through NAYGN but solidified a good friendship through our Wednesday morning coffee trips, which started nearly 3 years ago. He was someone I could always go to for career advice. I felt comfortable being candid with him and he always gave sound feedback. I relish in the few times he actually came to me, as he always seemed so composed so as to not need any life advice. I thank a lot of my professional & personally development to him. The impact he has had on my life will not be forgotten. He was a great mentor, an auspicious leader and most importantly, my friend.

My thoughts go out to anyone who knew Jack, as this is most certainly a difficult time.

“ I do not remember a time seeing Jack where he was not cracking jokes and spreading smiles. Even when his tube popped and he was floating away down the river, he took it as an opportunity to go for a swim. His positive outlook is what I will continue to strive for.

“ I had the pleasure to meet Jack through NAYGN and we soon became friends. His amazing personality and sense of humor made it easy to like him. He was always willing to help and lead the way with a smile on his face. We lost him far too soon but he touched many lives and his memory will live forever. Rest in peace my friend.

“ Jack was one of the most jolly and happy young people we have ever known despite the fact that he had to deal with some challenging health issues. We can never think of a time when we have been around Jack when he was not upbeat and thoughtful of others which we believe is a tribute to him and how his parents raised him to be the special young man that he was. We are so happy to have known him and to call him our nephew. Ron & Sherry Hollinger

“ *Jack was a great friend. He was such a kind, genuine, hilarious person. I had the privilege of meeting him while he was volunteering with Habitat for Humanity. We hit it off pretty quickly and a friendship blossomed. He loved to surround himself with friends whether it was partaking in white elephant at a Christmas party, creating a charcuterie board for a game night, or celebrating a friend's birthday. Jack bought me a bright pink desk chair when I got my first teaching job, which I still use today. He was so thoughtful, supportive, and always offered great advice. I can still hear his voice clear as day, and I think the sound of his voice, as well as his remarkable personality, will stick with me for the rest of my life. I will celebrate him through laughter and sharing his memory with those around me. My thoughts go out to his family and partner.*

Lucia, Mike and I send our sincerest, heartfelt condolences to you and Keith. There are no adequate words. Hearing of Jack's passing left us all stunned and so saddened for the loss of this amazing young man. It was always fun to have Jack and the others here at the house. He had such a great sense of humor and was always polite and respectful. He was always so thoughtful and patient to include Sarah when she wanted to hang out with her brother and the fellas. Watching all of them grow up together was a joy. Jack was such a good friend to all. Jordan is devastated, and will be traveling next week to attend Jack's service. We hold you all dear in our hearts and especially at this most difficult time.

“ I met Jack when he started at Duke Energy and saw his sparkle immediately. He had volunteered with me at a school to teach kids about Nuclear energy with NAYGN. He quickly stepped up and volunteered for so much, that when I stepped down from the board, we chatted heart to heart about how great he would be leading this organization. I never saw Jack without a smile on his face or without an amazing plan of action! I don't like already talking about him in the past so I will say I AM so thankful to have him in my life and the impact he will continue to make. He is dearly missed by too many to count.

“ Jack moved quietly through life, leaving speckles of light in the gray spaces he encountered. His generous & genuine joy, shown brightly in his smile and beamed through his eyes. He was sincere, yet light hearted and seized opportunities to demonstrate gratitude and appreciation for the least little things. In his eyes, no good deed was small. I have the “Tokens of Thanks” to proven that fact. Jack, thank you for seeing me. Commemorating you, is recalibrating...**THANK YOU AND I KNOW YOU'RE STILL WITH US!**
