“ I love you, Pap. I will miss you, your salads, planting the garden with you, eating all the string beans as I pick them, hanging out in the garage, fixing up "The Bug", farmer's markets, your talents, your amazing way of being able to fix EVERYTHING and anything, and loving me like I was your real grand daughter. You filled my heart with so much love. I love you dearly & will miss you everyday. Love always, Shannon.
