

## Janet Faye James

December 8, 1955 - October 18, 2021

Janet Faye James, 65, of Pageland, South Carolina, and formerly of Charlotte, North Carolina, died October 18, 2021, at Novant Health in Matthews, North Carolina.

Janet was born in Charlotte on December 8, 1955, the daughter of Brack Lee and Dorothy Nan Hands James. She grew up in the Hickory Grove area of Charlotte, graduating from Independence High School. Janet then went to Delmar Printing Company and then in the warehouse at Zimmer McCurry. Blessed with a skill of caring for others, she became a med tech in a nursing home and cared for people in their homes as well. Most recently, she had worked at the Union County Council on Aging. When not working, Janet enjoyed many things in life, including drawing, reading, Disney movies, card games and any music by Elvis. She also enjoyed cooking, and she was so good at it, her family loved to let her do it and then eat the fruits of her efforts! Most of all, Janet enjoyed the time spent with other people, especially family, and she will be fondly remembered and sadly missed.

Janet is survived by her sisters: Patricia Summers of Concord, NC, Shirley (Gene) Tillman of Indian Land, SC, and Carol (David) Warren of Matthews, NC. She is further survived by numerous nieces, nephews, other relatives and friends. In addition to her parents, she was preceded in death by her brother, Donald James.

Janet will be laid to rest next to her parents at Charlotte Memorial Gardens, 7632 Hood Road, Charlotte, NC 28215. A graveside service led by Rev. Dwight Huffman will be held at 1 pm on Friday, October 22, 2021.

Janet's family has given the family of Lowe-Neddo Funeral Home the privilege of caring for her and for them.

“ Janet was a beautiful person. We grew up together out in Hickory Grove. You could say we like sisters along with her other sisters. No more sickness now she’s resting in the arms of her Lord and Savior. Heaven Gained another Angel.

Janet, I remember the day you were born and the day they brought you home. You cry was so low and you had a hole in your heart. When you turned two the doctor said they had to operate. You were one of the first open heart surgeries performed in Charlotte NC. You came thru it wonderfully. I have many memories of you me being your oldest sister. You were so humble all your life and loving. I will love you and miss you all the days of my life until we meet again. R I P 🌸🌹
