“ Dearest Judy and family,

*Although I never met your mother, I know she was a wonderfully strong and loving woman because she helped to create you! Moreover, I also feel I knew her a bit as you and I had shared anecdotes of our same- aged respective mothers through the years as well as the rest of our families.*

*After losing my dad a decade ago, I know all too well that this is a difficult time for you and your family because of her loss. However, this is a time of remembering and rejoicing her life! She now is at peace and at one with God!*

*After being blessed by knowing you and calling you friend for close to 15 years, I know your strong faith will carry you through!*

*My love is with you and Ronnie, your sweet dad, and the rest of your family.*

*May God bless you and keep you all today and in the days to come!*
