“ Ms. Jan was a lovely lady with quite a stubborn streak but she certainly made up for that with her wry sense of humor... I took care of her at Cadence and we became friends and I would go in and sit and talk with her and she would always make me smile... She was a character and had a mind of her own and although we weren't together for very long I considered her my friend..... I will miss her and send my condolences and prayers to her daughters...
