“ Jay you are all around us and I can feel your love. I was not able to make your service but my heart and soul was with you and your family. You have given the world 3 beautiful gifts; your daughters. I hope to see them be successful and happy in life. They will always know how much you loved them.
This beauty has met me at my work parking spot each morning this past week.....I know you are there. 💕💕

“ So, so you think you can tell
Heaven from hell?
Blue skies from pain?
Can you tell a green field
From a cold steel rail?
A smile from a veil?
Do you think you can tell?
Did they get you to trade
Your heroes for ghosts?
Hot ashes for trees?
Hot air for a cool breeze?
Cold comfort for change?
Did you exchange
A walk-on part in the war
For a leading role in a cage?
How I wish, how I wish you were here
We're just two lost souls
Swimming in a fish bowl
Year after year
Running over the same old ground
What have we found?
The same old fears
Wish you were here

Rest in Peace My Love
