

## John Kenneth McArdle

April 22, 1996 - May 22, 2022

In loving memory of John Kenneth McArdle

John was born on April 22nd 1996 in Poughkeepsie NY to Kenneth McArdle (Barbara Callery) and Roseanne Siminoff McArdle (Mark Edes) who cherishes his memory. He is survived also by his sisters Laura McArdle Nichols and her husband Parker Nichols, and Amanda McArdle and his nephews Noah Nichols, Ryan Nichols and niece Marley Nichols. His niece and nephews adored their uncle and he adored them back and loved spending time with them. There are also numerous aunts, uncles and cousins who deeply love him and will miss him. John passed suddenly on May 22nd 2022. John was a loving brother, son and friend to all whom he met. He had a giving spirit and wanted to help others which he did through his service work helping other young men. He loved his family above all, and his dog lovingly known as Bear. John also was a reptile and fish enthusiast and raised many in his life time. He was fondly referred to as "Big John", "Big Dog", and "Johnny Boy." He has a vast number of friends and room mates whom will miss him dearly and mourn him as much as we do.

In lieu of flowers, we ask that memorial gifts be made in John's honor to Anchor of Hope Sober living program in Charlotte NC, so they can continue to help others like they helped John.

“ John was such a joy to be around! There was never a dull moment with him. I loved John for who he was because he always wanted to more for himself. When he was down he always tried to see a better way to view things. He was always genuine and never tried to be someone he was not. He was someone who could make you laugh and would try to make you feel better if it just was not your day. Also he NEVER passed any judgement, he accepted everyone for who they were and that's what I loved about him. It's been a few years since we had a chance to speak or see each other but it hurts to know he is not able to be here in the flesh with us, maybe that is my selfishness because now he has no worries, no struggles, something we all want. So it's easier said than done but I'll try to find the peace in knowing he is in a better place than we all are physically. He is loved by so many and will most definitely be missed.
