“ *I just found out Jack passed away. I'm a customer of Jack's in Charlotte and when he went to manage another store he left me with his cell number. I called a couple of times just to ask how's things up there. Wow, the news hit me like I didn't expect. I gave him the name of the doctor who did my rotator cuff surgery who then did Jack's. Little things, right. Mostly laughter though. You know, we make few truly close friends in life but the acquaintances add up to make your view of the world a better place. Every time I went to get some clothes I would ask How's Jack. Mom, Dad and family, I'm sorry we lost Jack here in this world. He'll be in my memory with good feelings. Now I'll catch my breath a little but the day will be a little sad for me. Bruce Rosenberg*
