“ It's been almost eight months and it still is so hard and unbelievable. I miss you so much; I never realized how much I depended upon my Buddy. The guy with the fat cheeks (one time) and beautiful brown eyes. If I could take back all the means things I said, I would. Once said, the damage is done. But I still love you so much and miss you terribly. You were a wonderful man, a giving husband and loving father and grandfather. I miss you.

“ I cannot believe you are gone. I do not know how to go home because you are everything there. I did not even say goodbye. I will never understand why you never called the weekend prior to your departing. I will always miss my brown eyed boy.

“ *Uncle Buddy, a good man and a great fisherman. I have fond memories of fishing with him. I remember when I caught an 18 inch flounder he was so excited for me and went and told everyone about my catch. He loved being with his family as much as he loved fishing. We will all miss him dearly. At least he is up there fishing with Papa Tom now.*

“ *Heaven got a little sweeter. Rest In Peace to my sweet Daddy. There are not enough words to express what he meant to me. No one will ever love me as much as he did, I always relied on him and now I am empty. I will forever miss him, daddy's little girl forever.*
