“ I love you my beautiful baby <3 mommy thinks about you every second of the day and misses you so much! I carry you in my heart and know you will always be with me. It's just so hard to accept that you are not physically here so I can protect you and keep you warm but mommy believes you're around keeping me safe. I'll try my best to stay strong for you but don't feel sad when you see mommy cry baby, I'm just hurting right now...
