“ *I first met Joe and his wife Marcia at the "Sunday school" class he taught for adults at Joy Church, when there used to be Sunday school. That phase in our lives was part of the foundation ordained by the Most High - putting people in our life's walk, who have a significant impact and a reason for being. Coming into and being in the space God has set have their moments, but departing, as certain as it is, still leaves a void. To Joe: thank you for the touch on my life. John Blaine*
